The last excursion of the year will be run by the Seaboard to Fernandina on next Monday, 30th inst. The special train will leave Madison at 6 o'clock in the morning and returning will leave Fernandina at 6 o'clock in the afternoon. Remember the date and time of leaving. Any further information may be had by consulting the local ticket agent.

In the near future Miss Lucie Jones, a gifted young concertist of Jacksonville, will give a recital here as an Epworth League benefit. Miss Jones is a daughter of the late Dr. J. N. Considerable tobacco is now being shipped out to various buyers in different parts of the country. These sales are largely due to the efforts of Messrs. Fraleigh and Hardee who have made two trips in the interest of our tobacco growers. We are informed that the price received for the tobacco is satisfactory. What is more to the point, perhaps, is that our tobacco has been brought to the attention of large manufacturers in all parts of the United States and a market created which will prove profitable in the future.

Mr. J. F. Hewitt, secretary of Oak Level Local, requests us to announce that there will be a big Union dinner at Beulah church on Friday, Sept. 3rd, the County Union meeting that day with Oak Level Local. Good speakers are expected to be present and a cordial invitation is extended to everybody to come and bring well filled baskets.

Cards were received in this city on Monday announcing the marriage on Saturday of Professor Grant Wheeler and Miss Sadie Welch, the ceremony occurring at the home of the bride in New Philadelphia, Ohio. Professor and Mrs. Wheeler will be at home in Madison after "August 26th"—to-day—or at least that is what the card stated, so we presume they will arrive here to-day or before the end of the week. Professor Wheeler is assistant principal of the Normal Institute and one of the best and most popular teachers Madison has ever had. He is held in the highest esteem by all of our people, without exception, and all wish him and his bride the richest blessings during their married life.

Col. G. H. Ashey was a business visitor to Tallahassee yesterday.

W., and the organization had charge of the funeral which was attended by a large concourse of sorrowing friends. A widow and four children are left to mourn the loss of a loving husband and father.

At the home of the bride in Jasper on Wednesday, Aug. 18th, Col. Jos. N. Stripling and Mrs. Ellis Blackwell were united in marriage by Rev. George F. Scott, pastor of the Jasper Methodist church. Col. Stripling is one of Florida's most prominent attorneys having his offices in Jacksonville with a practice which extends to all parts of the State. He is well known and highly esteemed in this town, of which he was for many years a valued citizen and to which he makes frequent visits now in the practice of his profession. Mrs. Stripling, as Mrs. Blackwell, was for many years a resident of Jasper and has always been prominently identified with the social and religious life of that town. Immediately after the marriage Col. and Mrs. Stripling left for an extended trip in the north, after which they will return to their home in Jacksonville.

A Weakling
is the only way to describe the poor child that is afflicted with worms. No matter how much or how often it eats, the worms get all the nourishment from the food; the child gets practically none. White's Cream Vermifuge gets rid of the worms quickly, easily and with no bad after effects. Price 25 cents a bottle. Sold by W. B. Davis

Farmers Union Rally and Picnic.

It was our good fortune and privilege to attend the Farmers Union Rally and Picnic at Hanson on last Thursday and to mingle with a large number of the farmers of the county who were there in great numbers, nearly every section of the county being represented.

Both before and after dinner some good speeches were delivered. Superintendent George W. Tedder presided over the meeting which was held in the large tabernacle and introduced the several speakers. Before dinner the assemblage was addressed by County Superintendent Jackson of Hamilton county and Hon. A. S. Meharge, demonstrator in the service of the government.

The address of this gentleman was particularly fine and instructive. After these two speeches the crowd adjourned to the tables near by which were laid with an abundance of good things to eat cooked as only the wives of farmers know how to cook, and what the crowd did to that splendid spread was an ample sufficiency. My, how we did eat.

After dinner the people again gathered again in the tabernacle and listened to splendid addresses by Dr. Tribble of Columbia College and Hon. M. S. Knight of Columbia county, State President of the organization. The day was full of pleasure and profit to all present and the members of the Farmers Union of Madison county covered themselves with glory by the excellent manner in which they entertained.

Active at 87.

This would be unusual news if men and women would keep themselves free from rheumatism and all aches and pains as well as keeping their muscles and joints limber with Ballard's Snow Liniment. Sold by W. B. Davis

Pinetta News.

The recent showers have cooled the atmosphere some, but it is still warm enough.

The revival meeting started up last Sunday and has been given out for a week, don't know how much longer. Rev. Brantly from Carabelle is assisting Rev. Bradford in the meeting.

Mrs. C. E. Coody is on a visit to her parents, Mr. and Mrs. W. P. Crawford.

Mr. and Mrs. G. Owens is being detained in North Carolina on account of Mrs. Owens getting hurt by a fall. We hope she will soon recover sufficiently to make the trip home.

Several from here attended the Farmers Union picnic at Hanson last Thursday.

Meers, C. E., and Tom Coody spent a few hours between trains here Sunday.

Mrs. Hall returned to her home in Habira last Friday morning after a week very pleasantly spent with her sister, Mrs. W. H. E. Terry.

We would not be surprised at any time to hear the wedding bells ring. We have in mind one young man that has his house almost completed.

Judge Martin of Madison spent last Friday here as the guest of W. D. Sutley.
